APPLICATION

AirLink Mobile, Inc. (“AirLink” or “Applicant”), by its undersigned counsel, hereby requests global facilities-based authority and global resale authority, under Section 214 of the Communications Act of 1934, as amended (the “Act”), 47 U.S.C. § 214, and Section 63.18 of the Commission's Rules, 47 C.F.R. § 63.18, to provide international telecommunications services between the United States and international points.

I. The Applicant

AirLink is a corporation organized under the laws of the State of Arizona. Applicant plans to provide a variety of competitive international services. Applicant is not affiliated with a foreign carrier within the meaning of Section 63.09(e) of the Commission’s rules. Nor is Applicant affiliated with any dominant U.S. carriers whose international services Applicant will resell. Applicant should, therefore, be classified as a nondominant carrier for the provision of the services for which authority is requested in this application. Furthermore, Applicant is eligible for streamlined processing pursuant to Section 63.12 of the Commission’s Rules because Section

63.12(c)(1)-(3) do not apply to the Applicant.

II. Public Interest Considerations

AirLink believes that the added competition its entry will bring to the market will benefit the consumers of United States-overseas services. These benefits include competitive pricing and increased availability of a variety of service options. Therefore, a grant of this Application will further the public interest.

III. Information Required by Section 63.18

Applicant requests such authorization for all international routes authorized by the Commission. Applicant certifies that it will comply with the terms and conditions of Sections 63.21 and 63.22 of the Commission's Rules.
- (2) AirLink also requests Section 214 authority to resell the international services of authorized U.S. common carriers pursuant to Section 63.18(e)(2) of the Commission's Rules. Applicant requests such authorization for all international routes authorized by the Commission. Applicant certifies that it will comply with the terms and conditions contained in Section 63.21 and 63.23 of the Commission's Rules.
- (f) AirLink seeks the authority to provide only the services referenced under paragraph (e) of Section 63.18 of the Commission's Rules.
- (g) Given that Applicant is not seeking to acquire facilities or provide services pursuant to Section 63.18(e)(4) of the Commission's Rules, this Section is not applicable.

 - (1) Applicant is a foreign carrier in that country; or
 - (2) Applicant controls a foreign carrier in that country; or

- (n) Applicant certifies that it has not agreed to accept special concessions, as defined in Section 63.14(b) of the Commission's rules, directly or indirectly from any foreign carrier, as defined in Section 63.09(d) of the Commission's rules, with respect to any U.S. international route where the foreign carrier possesses sufficient market power on the foreign end of the route to affect competition adversely in the U.S. market, and will not enter into such agreements in the future.
- (o) AirLink certifies, pursuant to Sections 1.2001 through 1.2003 of the Commission's Rules (implementing the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 3301),

- (p) Applicant requests streamlined processing of this application pursuant to Section 63.12 of the Commission's Rules. IV. CONCLUSION

For the reasons stated above, AirLink Mobile, Inc. respectfully submits that the public interest, convenience, and necessity would be furthered by a grant of this Section 214 Application.

Respectfully submitted,
